

CREATION CARE GROUP – VISIT TO THE GRANGE MOYALLON 30th MARCH

Caroline Somerville has invited us to join her in the Retreat Centre which she is still in the process of fully developing. In her talk she will deal with the history of the house, how she was moved to develop it and how it is managed. We will also have a meditation and a time for business. We hope it will be a rewarding session in beautiful surroundings.

10.00 Rendezvous for tea, coffee, scones, introductions and business

10.45 Meditation led by Joe Furphy

11.30 Introduction to The Grange by Caroline Somerville, followed by walk

12.30 approx. Departure

Directions

From Belfast take the M1 to junction 11, where you follow the M12 and later A3 Northway into Portadown. After crossing the River Bann, take the exit, and from here follow signs to Gilford and Banbridge. Be careful at the roundabouts in Portadown, especially the first one after leaving Northway, where you take the second major exit. Shortly after crossing the River Bann (again) bear right towards Banbridge; at the next roundabout bear right for Banbridge/Gilford.

After about two miles on the A50, there is a roundabout where you cross the B2 Lurgan/Tandragee road. A few hundred yards further on is a hard-to-see brown sign pointing right to the Moyallon Centre – follow this sign and The Grange is the first house on the left.
