

Climate Justice Candle

On November 8th members of our Parish Youth Group hosted the Candle . This group of young people, girls and boys , aged 13 to 18years meet weekly in Newbridge Parish Centre . Known as AMADEUS they are a Faith based group run by young people for young people.

With the Candle as their focus they reflected together on the importance of caring for our planet and the difference one positive action can make ,

The following is one of the prayers they used. (Adapted from Prayers Before The Bell by Betty Mannion)

“Loving God, when you created our world, you allowed us to become it’s caretakers.

It’s ours to cherish and pass on to those who come after us.

Help us to see how we can make a difference.

When we turn off unnecessary lights, we care for your world.

When we recycle, we care for your world.

When we pick up litter we care for your world.

When we compost, we care for your world,

Help us to see that every positive action we take shows our love and respect for you our creator and for all life that shares this planet with us “. Amen.
