Eco-Congregation Ireland ECI is an inter-denominational project launched originally in 2005 by the Irish Inter-church Meeting. We are grateful to receive financial support from the following five religious traditions – Catholic Church, Church of Ireland, the Presbyterian Church in Ireland, the Methodist Church in Ireland and the Religious Society of Friends, as well as from Trócaire and the Association of Leaders of Missionaries and Religious of Ireland (AMRI). ECI is run by volunteers drawn from the five traditions, supported heroically by one part-time administrator, to whom you will be sending this form.
